

## *A Message from Tom Suozzi*

Friends,

**We must continue to stand in solidarity with the people of Israel and Jewish people around the world.**

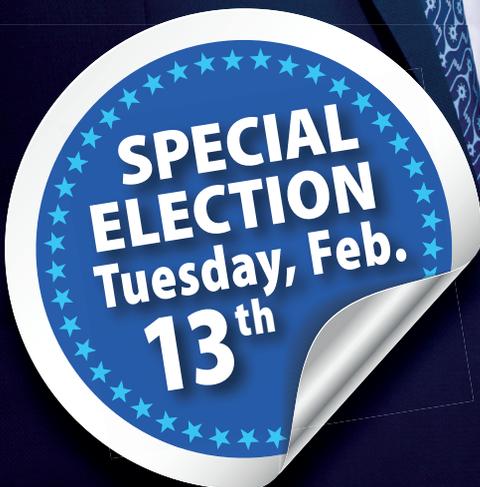

Now is the time for America and the global community to redouble our commitment to Israel, employing every means necessary to dismantle Iran-backed Hamas, and put an end to their reign of terror. Our support must be unequivocal.

There is no place for second guessing Israel's efforts to dismantle Hamas. This is not about revenge or retribution. This is about doing what it takes to stop these murderous, heartless criminals once and for all.

This will not be easy. We must accept the fact that evil does exist. Evil cannot be appeased or negotiated with. We, and all people of goodwill, must unite in what will be a painful effort to beat evil back and we cannot give up.

Am Yisrael Chai,

Tom Suozzi

# Tom Suozzi Stands With Israel

## JEWISHINSIDER

“Suozzi was outspoken, in his time in office, about calling out colleagues over anti-Israel comments — at times he was the most outspoken non-Jewish member on the issue. And he otherwise bucked his party when he believed it wasn’t sufficiently pro-Israel.”

## THE TIMES OF ISRAEL

“Suozzi has a history of speaking out on antisemitism and was one of the drivers behind a 2018 bill allowing for sanctions on terror groups...”

“I wanted to demonstrate my solidarity with Israel and with the Jewish people throughout the world through these difficult times.”

## Forward

“We must continue to do everything we can to defeat Hamas. There’s no equivocation... My job right now is to show solidarity.”
