Tom Suozzi’s love of Long Island, our natural resources, the good people who call this area home, is what drives and inspires him. And Tom has proven he’ll work with anyone, from any political party, if it means he can deliver and make our lives a little easier.

In Congress, he’ll put the people of Nassau ahead of partisan politics. He’s been doing just that his whole life.

In Congress, Tom Suozzi Bridged the Partisan Divide to Deliver for Nassau

- ★ **Environment:** Quadrupled funding for the Long Island Sound and secured \$34 Million to finally address and clean up Nassau’s most polluted site, the Bethpage Plume.
- ★ **Immigration:** Proposed a bipartisan solution, co-written with Congressman Peter King and published in The New York Times, that secures the border and treats people humanely.
- ★ **Public Safety:** As County Executive, oversaw the 12th largest police department in the country, reducing the crime rate to such low levels that Nassau was deemed the safest community in the entire nation with a population over 500,000. In Congress, Tom co-sponsored landmark background check legislation that keeps guns out of the hands of dangerous individuals.
- ★ **Affordability:** Fought to reduce our local tax burden and passed legislation to lower the cost of healthcare.
